Milestone Contractors selected for 52@65 project in Boone County

BOONE COUNTY, Ind. – Milestone Contractors, L.P. was recently awarded the construction contract for 52@65, a new interchange project at I-65 and U.S. 52 near Lebanon.

Construction of a diverging diamond interchange is scheduled to begin this spring. Learn more about a diverging diamond interchange [here](#). The new interchange aims to enhance safety and improve traffic flow, providing better access to both I-65 and U.S. 52.

Based in Indiana, Milestone specializes in bridge construction and asphalt and concrete paving.

A schedule for construction will be shared once finalized. Visit 52at65.com for the latest project plans and materials.
